How is Your Corn?

Should you be so unfortunate as to be the owner or possessor of any corns or bunions, you will please remember that by going to Saur & Basley's Drug and Book House, that you can get a remedy which will not only give you almost instant relief, but will remove all soreness as well. This house carries a large line of all the most reliable and popular medicines known, for the speedy relief and cure of the diseases most prevalent in this section of the country. Many of these medicines are guaranteed to cash, dress goods, corns, potatoes, flour by the barrel, honey, choice butter, coffee, tea, sugar, fruit, chickens, eggs, etc. Many that could not be present, failed not to send in their offerings. It was a meeting, through music, kind words, speeches, and a general good time, filled the evening. Young and old mingled and expressed cheerful greetings to pastor and family. The response to the pastor's address of thanks for the kind remembrance was one of the features of the evening.

Mr. Hall, in his response, acquitted himself so very creditably that he was cheered very heartily. This being an omen of his spirit and principle, we predict for him a useful career and to the legal firmament a bright star.

There are two values, one inherent, the other expressed in price, the good will, cheer and confidence.
